Description

The basic food donation packages are intended for those who affected by covid-19 socially and economically, such as the poor and needy people, low income daily workers, elderly groups, casual workers, hawkers and others in Indragiri Hilir. They cannot work optimally due to corona outbreak. Even if they work, they are unable to pay for basic necessities due to the decline of economy in Indonesia.

Let's lend our helping hand to people in need through Yayasan Bahtera DwipaAbadi.
